ii. ASSOCIATION

A. Members. Every Owner shall be a mandatory Member of the Association. Membership shall be appurtenant to and may not be separated from title to each Lot. Membership shall be transferred automatically by conveyance of the title to any Lot, whereupon the membership of the previous Owner shall automatically terminate. Persons or entities which have an interest in any Lot merely as security for the performance of an obligation shall not be Members of the Association, and in such case the beneficial Owner shall retain the membership in the Association.

B. Voting Rights. The Association shall have two classes of voting Members:

1. Class A. Class A Members shall be all Owners, with the exception of Developer while the Class B Membership exists. Class A Members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members; however, the vote for such Lot shall be exercised as they shall determine among themselves, but in no event shall more than one vote be cast with respect to any Lot. Notwithstanding the foregoing, if title to any Lot is held by a husband and wife, either spouse may cast the vote for such Lot unless and until a written voting authorization is filed with the Association.  - a. Three (3) months after seventy-five percent (90%) of the Lots in the Property that will ultimately be operated by the Association have been conveyed to Class A Members.
 - b. Such earlier date as Developer, in its sole discretion, may determine in writing.

After Turnover, the Class A Members may vote to elect the majority of the members of the Board. For the purposes of this Article, builders, contractors or others who purchase a Lot for the purpose of constructing improvements thereon for resale shall not be deemed to be Class A Members. After Turnover, for so long as the Developer owns at least five percent (5%) of the Lots within the Property, the Developer may appoint the minority of the Board members or not less than one (1) Director. After Turnover, the Developer will be a Class A

Member with respect to Lots which it owns and shall have all rights and obligations of a Class A Member except that it may not cast its votes for the purpose of reacquiring control of the Association.

C. Services. The Association may obtain and pay for the services of any person or entity to manage its affairs to the extent it deems advisable.

III. OWNER'S RIGHTS AND DUTIES

A. Easement of Enjoyment. Subject to the limitations provided elsewhere in this Declaration, every Owner is granted a nonexclusive right and perpetual easement of enjoyment in and to the Common Property, which easement is appurtenant to and shall pass with the title to every Lot, subject to the following:

1. The right of the Association to take such steps as are reasonably necessary to protect the Common Property against foreclosure.
2. The right of Developer or the Association to grant easements and rights of way as may be appropriate for the proper development and maintenance of the Property, including, without limitation, Developer's right to reserve easements for itself, its successors and assigns for ingress, egress, drainage maintenance, and utilities over all Common Property.
3. All provisions of this Declaration, any plat of any part of the Property, and the Articles and Bylaws of the Association.
4. The rules and regulations governing the use and enjoyment of the Common Property adopted by the Association.
5. All easements and restrictions of record affecting any part of the Common Property, provided however, any mortgage of the Common Property shall be subject to the easement rights of Owners granted herein.

B. Delegation of Use. Each Owner may delegate, subject to the Articles, Bylaws, and the Declaration, his right of enjoyment of the Common Property and facilities to the members of his family, his tenants, his guests, invitees, licensees, domestic servants, or contract purchasers who occupy the Lot.

C. Damage or Destruction. In the event any Common Property, facilities, or personal property of the Association or Developer are damaged or destroyed by an Owner or any of his guests, tenants, invitees, agents, employees, or family members as a result of negligence or misuse, the Association shall repair the Common Property in a good and workman like manner, in accordance with the original plans and specifications of the Common Property involved, or as the Common Property may have been modified or altered subsequently by the Association. The cost of such repairs shall be the

responsibility of that Owner and shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement.

D. Maintenance. In addition to other specified maintenance required herein, each Owner shall keep all parts of his Lot, including the Residence, clean and free of debris, and in good order and repair at such Owner's cost and expense. Such duties shall include, without limitation, repair or replacement of the roof, windows and doors (including glass or screens), and exterior of the Residence. Each Owner shall also maintain all landscaping on his Lot and any portion of the Property bounded by his front Lot line, the continuation of his side Lot lines, and the paved portion of any road adjacent to his Lot and shall maintain the banks of any lake from the water level to such Owner's adjacent property line as more fully set forth in paragraph IV(E).

The foregoing obligations shall include all maintenance, repair or replacement required because of the occurrence of any fire, wind, vandalism, theft or other casualty. All maintenance and repair shall be performed by each Owner at regular intervals as shall be necessary to keep the Lot and the Residence in an attractive condition and in substantially the same condition and appearance as existed at the time of completion of construction; subject to normal wear and tear that can not be avoided by normal maintenance. Each Owner shall promptly perform any maintenance or repair requested by the Association.

If an Owner fails to maintain his Lot, (including landscaping), his Residence, the adjacent road right-of-way or area between Lot and lake bank in good order and in a clean and attractive manner or to perform any other maintenance required hereunder, the Association, after ten (10) days written notice to the Owner and with the approval of the majority of the Board of Directors, shall have the right to enter upon such Lot to correct, repair, restore, paint, maintain, and landscape any part of such Lot or Residence, or the adjacent portion of the road right-of-way or area between Lot and pond. The cost of such repairs or maintenance shall be a Lot Assessment, payable by the responsible Owner immediately upon receipt of a written invoice or statement therefor.

IV. COMMON PROPERTY AND EASEMENTS

A. Common Property.

1. Title. Developer shall retain title to the Common Property until such time as it has completed any improvements thereto, and unless Developer sooner conveys such Common Property or any portion thereof to the Association by recorded instrument, all remaining Common Property not deeded to the Association shall be deemed conveyed to the Association, without further act or deed by Developer at such time as Developer no longer owns any of the Property. Notwithstanding the foregoing, no part of the Common Property may be conveyed to any party other than the Association, dedicated to the public (other than the roads and drainage easements as shown on the

plat of the Property), mortgaged, or otherwise encumbered without the written consent or vote of two-thirds (2/3) of the Class A Members and, until Turnover, the prior written consent of the FHA or VA in accordance with HUD regulations, if the FHA or VA is the insurer of any Mortgage encumbering a Lot.

B. Maintenance. It shall be the duty of the Association to manage and maintain the Common Property in a clean, attractive, sanitary and serviceable condition, and in good order and repair subject to all governmental regulations, for the benefit of all Owners. The Association's duties shall commence upon the completion of any improvements upon the Common Property, irrespective of which entity holds title thereto, and shall include the management, operation, maintenance, repair, servicing, replacement, and renewal of all improvements, equipment, and tangible personal property installed by Developer as a part of the Common Property. The Association shall keep the improvements located on the Common Property, including fixtures and personal property of the Association, insured for the maximum insurable replacement value, excluding foundation and excavation costs, as determined by the Board of Directors. The Association shall also maintain all landscaping on the Common Property, provided, however, that neither Developer nor the Association shall be deemed a guarantor of such landscaping. In addition, the Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System.

C. Utility Easements.

1. Blanket Easement. Developer reserves for itself, its successors and assigns, a nonexclusive, perpetual, alienable blanket easement and right for the benefit of the Property upon, across, over, through, and under the Property for ingress, egress, installation, replacement, repair, use and maintenance of all utility and service lines and service systems, public and private, including, but not limited to, water, sewer, drainage, irrigation systems, telephones, electricity, television cable or communication lines and systems, and police powers and services supplied by the local, state and federal governments. This easement shall in no way affect any other recorded easements on the Property. Upon construction of a Residence on a Lot, the blanket easement reserved herein shall be vacated with respect to any portion of the Lot on which the Residence and other approved improvements are located.
2. Lot Easements. Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a ten foot (10') perpetual nonexclusive easement over, under, and across the front of each Lot for the installation, repair and maintenance of utilities, including without limitation water, sewer, electrical and irrigation lines. In the event that the Owner shall construct any improvements within such easement area specifically reserved on a Lot, and if, in

connection with the exercise of the Developer's or the Association's easement rights hereunder, the Developer or the Association is required to remove such Improvements, the repair, replacement or restoration of such Improvements shall be at the cost and expense of the Owner.

3. Cable Easements. Developer reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, exclusive, alienable easement and right for the installation, maintenance, and supply of radio and television cables over, under and across the rights of way and easement areas on any recorded plat of the Property. If the Association elects to enter into a "bulk rate contract" for cable television, cable television service shall be supplied to each Lot and each Owner shall be required to pay all costs in connection therewith.

D. Stormwater Management System.

1. Blanket Easement. The plan for the development of the Property includes the construction of a Stormwater Management System, which may include, without limitation, retention lakes, swales, conduits, weirs, pipes, pumps, and berms across the rear of certain Lots and access easements to the Stormwater Management System as shown on the plat. Developer hereby reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, nonexclusive easement over and across all areas of the Stormwater Management System for the drainage of stormwater from the Property. Portions of the Stormwater Management System are located entirely within Lots. The Association is hereby granted an easement over any Lots which is necessary or convenient for the Association to perform its maintenance obligations hereunder, provided however, such easement shall be released with respect to any portion of the Lots on which an approved Improvement is constructed and located.
2. Lot Easements. In addition to the easements reserved in Article IV(D)(2), Developer hereby reserves over and across an easement measuring five (5') feet in width over and across the rear and side Lot boundaries for the installation and maintenance of drainage swales, which shall form a part of the Stormwater Management System. Such swales shall be maintained in the condition as initially constructed and shall not be filled or altered by the Owner of any Lot. In the event that an Owner shall fill or alter a swale, and shall fail to restore it to its original condition upon request of the Association or District, The Association may enter onto the Lot and restore the swale and the cost thereof shall be assessed against the Owner, as a Lot Assessment.

3. Maintenance Easement. The Association is granted a perpetual, nonexclusive easement for ingress and egress, at all reasonable times and in a reasonable manner, over and across the Stormwater Management System and over any portion of a Lot which is a part of the Stormwater Management System, or upon which a portion of the Stormwater Management System is located to operate, maintain, and repair the Stormwater Management System as required by the St. Johns River Water Management District ("District") permit. Such right expressly includes the right to cut any trees, bushes or shrubbery, to make any gradings of soil, construct or modify any berms placed along the rear of any Lots as part of the Stormwater Management System, or take any other action reasonably necessary, following which Developer or the Association shall restore the affected property to its original condition as nearly as practicable; provided, however, that Developer or the Association shall not be required to replace or repair fences, walks, structures, landscaping, or other improvements which are removed or damaged. Developer or the Association shall give reasonable notice of its intent to take such action to all affected Owners, unless, in the opinion of Developer or the Association, an emergency exists which precludes such notice. The right granted herein may be exercised at the sole option of Developer or the Association and shall not be construed to obligate Developer or the Association to take any affirmative action in connection therewith. The Owners of Lots adjacent to or containing a portion of the retention areas are granted a perpetual, nonexclusive easement for ingress and egress over and across the Stormwater Management System for the purpose of providing maintenance and erosion control to the embankments of such retention areas.

4. Maintenance. Except as specifically set forth herein to the contrary, the Association shall be responsible for the maintenance, operation, and repair of the Stormwater Management System. Such maintenance shall include the exercise of practices which allow the Stormwater Management System to provide drainage, water storage, conveyance, or other capabilities in accordance with all the permits, statutes, rules, and regulations pertaining to surface water management, drainage, and water quality promulgated by the District, Florida Department of Environmental Protection, and all other local, state and federal authorities having jurisdiction. The Association shall maintain and control the water level and quality of the Stormwater Management System; the bottoms of any retention lakes or drainage easements which retain or hold stormwater on a regular basis. The Association shall have the power, as may be required by any applicable governmental entity, to control and eradicate plants, fowl, reptiles, animals, fish, and fungi in and on any portion of the retention lakes or drainage easements. The Owners of Lots adjacent to or containing any portion of the Stormwater Management System shall

maintain all shoreline vegetation and the grade and contour of all embankments to the water's edge (as it may rise and fall from time to time) between the extension of their respective side lot lines, irrespective of ownership of such land, keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion and shall remove trash and debris as it may accumulate in the System, from time to time.

5. Improvements. No docks, bulkheads, or other structures, permanent or temporary, shall be constructed on, over, or under any portion of the Stormwater Management System without the prior written consent of the Association and the approval of the ARB or Developer, which consent or approval may be withheld for any reason. Any improvements to the Stormwater Management System permitted by the Association and installed by the Owner shall be maintained by such Owner in accordance with the maintenance provisions of this Declaration. All improvements to the Stormwater Management System may also require the prior written approval of the District. After receiving the approval of the ARB, Owner shall be solely liable for obtaining all governmental permits necessary or convenient to construct such Improvements.
6. Use and Access. Developer and the Association shall have the right to adopt reasonable rules and regulations from time to time in connection with the use of the surface waters of any portion of the Stormwater Management System, and shall have the right to deny such use to any person who, in the opinion of Developer or the Association, may create or participate in a disturbance or nuisance on any part of the Stormwater Management System. The use of such surface waters by the Owners shall be subject to and limited by the rules and regulations of Developer and the Association, all permits issued by governmental authorities, and any rights granted to other persons pursuant to the rules and regulations of Developer and the Association. Only Developer and the Association shall have the right to pump or otherwise remove any water from any part of the Stormwater Management System for purposes of irrigation or any other use. No gas or diesel driven watercraft shall be operated on any portion of the Stormwater Management System, including the retention lakes.
7. LIABILITY. NEITHER DEVELOPER NOR THE ASSOCIATION SHALL HAVE ANY LIABILITY WHATSOEVER TO OWNERS, GUESTS, TENANTS, OR INVITEES IN CONNECTION WITH THE RETENTION LAKES AND DRAINAGE EASEMENTS OR ANY PART OF THE STORMWATER MANAGEMENT SYSTEM. EACH OWNER, FOR ITSELF AND ITS GUESTS, TENANTS, OR INVITEES, RELEASES DEVELOPER AND THE ASSOCIATION FROM ANY LIABILITY IN CONNECTION THEREWITH.

NEITHER DEVELOPER, THE ASSOCIATION, NOR ANY OF THEIR SUCCESSORS, ASSIGNS, OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, RETENTION AREA, CANAL, CREEK, MARSH AREA, STREAM OR OTHER WATER BODY WITHIN OR ADJACENT TO THE PROPERTY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR ENTITY AS REFERENCED HEREIN. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID AREAS SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF A DEED TO, OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY RELATED TO ANY CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES CONTAINED WITHIN OR ADJACENT TO THE PROPERTY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

ALL PERSONS ARE HEREBY NOTIFIED THAT LAKE BANKS AND SLOPES WITHIN CERTAIN AREAS OF THE PROPERTY MAY BE STEEP AND THAT DEPTHS NEAR SHORE MAY DROP OFF SHARPLY. BY THEIR ACCEPTANCE OF A DEED TO, OR USE OF, ANY LOT WITHIN THE PROPERTY, ALL OWNERS OR USERS OF SUCH PROPERTY SHALL BE DEEMED TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FROM ALL LIABILITY OR DAMAGES ARISING FROM THE DESIGN, CONSTRUCTION, OR TOPOGRAPHY OF ANY LAKE BANKS, SLOPES, OR BOTTOMS.

8. Wetlands, Jurisdictional Land and Swales. This Declaration is subject to the rights of the State of Florida over portion of the Property which may be considered wetlands, marshes, sovereignty or jurisdictional lands, and every Owner shall obtain any permit necessary prior to undertaking any dredging, filling, mowing, improving, landscaping, or removal of plant life existing on his Lot.

Further, certain Lots will be improved with swales constructed within Lots which are contiguous to any jurisdictional lands. The Owners thereof shall not remove or modify the swales without the consent of the applicable governmental entities. Any Owner who alters or otherwise modifies any swale, including mowing, shall repair and restore any such swale to be in full compliance with the applicable Permits, at such Owners' sole cost and expense and shall indemnify and hold the Developer and the Association harmless from such violation.

9. Rights of the District. Notwithstanding any other provisions contained elsewhere in this Declaration, the District shall have the rights and powers enumerated in this paragraph. The District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the District. No person shall alter the drainage flow of the Stormwater Management System, including any buffer areas, swales, treatment berms or swales, without the prior written approval of the District. Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior written approval of the District. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System must be assigned to and accepted by an entity approved by the District.
10. Indemnity. Developer may be required to assume certain duties and liabilities for the maintenance of the Stormwater Management System or drainage system within the Property under the plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Declaration, it shall hold Developer harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the Stormwater Management System occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees but not excluding any liability occasioned wholly or in part by the acts of the Developer, its successors or assigns. Upon completion of construction of the Stormwater Management System or drainage system Developer shall assign all its rights, obligations and duties thereunder to the Association. The Association shall assume all such rights, duties and liabilities and shall indemnify and hold Developer harmless therefrom.

E. Developer's Rights. Developer, its successors and assigns shall have the unrestricted right, without approval or joinder of any other person or entity: (i) to designate the use of, alienate, release, or otherwise assign the easements shown in the plat of the Property or described herein, (ii) to plat or replat all or any part of the Property owned by Developer, and (iii) to widen or extend any right of way shown on any plat of the Property or convert a Lot to use as a right of way, provided that Developer owns the lands affected by such change. Owners of Lots subject to easements shown on any plat of the Property shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains, lines, or other equipment or facilities placed on, over, or under the easement area. The Owners of Lots subject to any easements shall not construct any improvements on the easement areas, alter the flow or drainage, or landscape such areas with hedges, trees, or other landscape items that might interfere with the exercise of the easement rights. Any Owner who constructs any improvements or landscaping on such easement areas shall remove the improvements or landscape items upon written request of Developer, the Association, or the grantee of the easement.

F. Permits. THIS PROPERTY WAS CONSTRUCTED IN ACCORDANCE WITH REQUIREMENTS OF PERMITS ISSUED BY THE ARMY CORPS OF ENGINEERS AND ISSUED BY THE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT. ANY OWNER OWNING A LOT WHICH CONTAINS OR IS ADJACENT TO JURISDICTIONAL WETLANDS AS ESTABLISHED BY THE ARMY CORPS OF ENGINEERS OR ST. JOHNS RIVER WATER MANAGEMENT DISTRICT, SHALL, BY ACCEPTANCE OF TITLE TO THE LOT, BE DEEMED TO HAVE ASSUMED ALL OBLIGATIONS UNDER THE FOREGOING PERMITS AS SUCH RELATES TO ITS LOT AND SHALL AGREE TO MAINTAIN SUCH JURISDICTIONAL WETLANDS IN THE CONDITION REQUIRED UNDER THE PERMITS AND TO OTHERWISE COMPLY THEREWITH. IN THE EVENT THAT AN OWNER VIOLATES THE TERMS AND CONDITIONS OF SUCH PERMITS AND FOR ANY REASON THE DEVELOPER IS CITED THEREFOR, THE OWNER AGREES TO INDEMNIFY AND HOLD THE DEVELOPER HARMLESS FROM ALL COSTS ARISING IN CONNECTION THEREWITH, INCLUDING WITHOUT LIMITATION ALL COST AND ATTORNEYS' FEES AS WELL AS ALL COSTS OF CURING SUCH VIOLATION.

V. UTILITIES

A. Water System. The source of water for each Residence shall be a well. Prior to drilling any well the Owner shall obtain the approval of Developer as to location and the identity of the drilling company, it being the intention of the Developer to permit only qualified companies to perform such work on the Property. The well shall be drilled solely at the expense of the Owner and Owner shall be responsible for obtaining all permits necessary to drill the well. The Owner shall be responsible for all maintenance, operation, repair and replacement of the well.

B. Sewage System. Each Owner shall construct and install upon the Lot an individual septic tank system. Each Owner shall obtain all necessary permits for such installation, at the Owner's cost and expense. The location of the septic tank upon the Lot shall be subject to the approval of the Health Department and shall be located so as to not interfere with the well and septic tank on any adjoining Lot.

VI. COVENANTS FOR MAINTENANCE ASSESSMENTS

A. Annual Assessments. For each Lot within the Property, Developer covenants, and Owner, by acceptance of a deed or other conveyance, agrees to pay Annual Assessments levied by the Association for the improvement, maintenance, and operation of the Common Property, including, without limitation, the maintenance, operation and repair of the Stormwater Management System (including, but not limited to, work within retention areas, drainage structures, and drainage easements), the maintenance and operation of the fire protection system, roadways and street lighting thereon, establishing a maintenance and repair reserve account, providing security for the residents and their property, the management and administration of the Association, and the furnishing of services as set forth in this Declaration. As further hereinafter described, the Board of Directors, by majority vote, shall set the Annual Assessments at a level sufficient to meet the Association's obligations, including contingencies and reserves as the Board may from time to time deem reasonable and necessary. The Board of Directors shall set the date or dates such Annual Assessments shall become due and may provide for collection of Assessments to be payable annually or in monthly, quarterly or semi-annual installments; provided, however, that upon default in the payment of any one or more installments, the entire balance of such Annual Assessment may be accelerated, at the option of the Board of Directors, and be declared due and payable in full. Reconfigured Lots, for so long as only one single family Residence is located thereon, shall be subject to a single Annual Assessment.

B. Special Assessments. In addition to the Annual Assessments the Association may levy, by majority vote of the Board of Directors, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Property, including fixtures and personal property related thereto, provided any such Special Assessment shall have the consent of Owners holding two thirds (2/3) of the votes in the Association, other than Developer, voting in person or by proxy at a regular meeting or a special meeting called for that purpose at which a quorum of each membership class is present.

C. Emergency Assessments. The Association may also levy an Emergency Assessment at any time by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters that affect all the Common Property or Members of the Association, including, after depletion of any applicable reserves, any unexpected expenditures not provided for by the Budget or unanticipated increases in the amounts budgeted. Any Emergency Assessment shall be due and payable at the time and in the manner specified by the Board of Directors.

D. Lot Assessments. The Association may, from time to time, levy a Lot Assessment against a particular Lot and the Owner thereof by a majority vote of the Board of Directors, for the purpose of defraying, in whole or in part, the cost of any repair, maintenance or restoration as provided herein; for the construction, reconstruction, repair, or replacement of a capital improvement upon or serving the specific Lot, including any additional special services to such Lot, the cost of which is not included in the Annual Assessment; or to reimburse the Association for any costs it incurs as a result of the Owner's failure to comply with this Declaration or any damage to the Common Property.

E. Commencement of Annual Assessments.

1. Date of Commencement. The Annual Assessments provided for herein shall commence with respect to each Lot on the date of conveyance of the Lot to an Owner who intends to dwell in the Residence other than Developer or a builder constructing the Initial Improvements. During the initial year of ownership, the Owner subject to Assessments shall be responsible for the pro rata share of the Annual or Special Assessment charged to each Lot, prorated to the day of closing on a per diem basis.
2. Capital Contribution. In addition, at the closing and transfer of title of each Lot to the first Owner other than Developer or a builder constructing Initial Improvements thereon, such Owner shall contribute working capital to the Association in an amount to be determined by the Association from time to time. These contributions to the Association shall be used for the purpose of defraying the initial and nonrecurring capital expenses of the Association and for providing initial working capital for the Association. Such contribution shall not be considered as a prepayment of Annual Assessments.
3. Nonpayment of Assessments: Remedies of the Association.
 - a. Creation of Lien for Assessments. All Parcels shall be subject to a continuing lien for assessments levied by the Association in accordance with the provisions of the Declaration. The annual assessments and charges, and, when properly authorized in accordance with Section VI (B) and VI (C) special assessments for capital improvements and emergency assessments, together with interest and late charges thereon and the costs of collection thereof (including reasonable attorneys' fees, whether incurred before or at trial, on appeal, in bankruptcy or in post-judgment collection) as hereinafter provided, shall be a charge on and shall be a continuing lien upon the Parcels against which each such assessment or charge is made. All Parcels shall be held, transferred, sold, conveyed, used, leased, occupied,

mortgaged or otherwise encumbered subject to all the terms and provisions of the Declaration applicable to Parcels, including, but not limited to, the continuing lien herein described.

b. Owner's Acceptance. The Assessment Charge is also the personal obligation of the person or entity which was the Owner of such Lot at the time when the Assessment was levied, and of each subsequent Owner thereof. Each Owner of a Lot, by acceptance of a deed or other transfer document therefor, whether or not it shall be so expressed in such deed or transfer document, is deemed to covenant and agree to pay to the Association the Assessments established or described in this Article. Each Owner, by his acceptance of title to a Lot, expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of such Assessment Charge as a debt and to enforce the aforesaid by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property, and such Owner is deemed to have granted to the Association a power of sale in connection with such lien. No Owner may waive or otherwise escape liability for the Assessment Charge by abandonment of his Lot.

c. Effect of Nonpayment of Assessments; Remedies of the Amended Association. Any annual assessment, not paid within thirty (30) days, or special assessment, not paid within fifteen (15) days after the due date, as established by the Association, shall bear interest from the due date at the highest rate permitted by law, and a late fee, in the amount as determined from time to time by the Board of Directors, shall be due to offset the administrative costs of collection of unpaid assessments. In addition, the Association shall have the following remedies: (1) the remedies set forth in Section X(H); (2) the Association may bring an action to foreclose the lien against the affected Parcel, and (3) the Association may bring an action at law to obtain a money judgment against an Owner. The lien placed on the Parcel shall include all outstanding and unpaid assessments, interest, late fees and costs of collection, including without limitation, court costs and attorneys' fees, whether incurred before or at trial, on appeal, in bankruptcy or in post judgment collection. No Member may waive or otherwise escape liability for assessments by non-use of the Common Area or by abandonment of the Parcel owned by such Owner.

4. Subordination of Lien to Mortgages. The lien of any assessment or charge authorized herein with respect to any Parcel is hereby made subordinate to the lien of any mortgage made by a generally recognized institutional lender on such Parcel, so long as all assessments and charges levied against such Parcel falling due on or prior to the date such mortgage is recorded, have been paid. The sale or transfer of any Parcel pursuant to a mortgage foreclosure proceeding or a proceeding in lieu of foreclosure shall extinguish the lien for assessments falling due prior to the date of such sale, transfer or foreclosure.
5. Budget.
 - a. Fiscal Year. The fiscal year of the Association shall consist of the twelve (12) month period commencing on January 1 of each year.
 - b. Initial Budget. Developer shall establish the budget for the fiscal year in which a Lot is first conveyed to an Owner other than Developer or a Builder.
 - c. Preparation and Approval of Annual Budget. Commencing December 1st of the year in which a Lot is first conveyed to an Owner other than Developer, and on or before December 1 of each year thereafter, the Board of Directors shall adopt a budget for the coming year containing an estimate of the total amount which it considers necessary to pay the cost of all expenses to be incurred by the Association to carry out its responsibilities and obligations, including, without limitation, the cost of wages, materials, insurance premiums, services, supplies, and other expenses for the rendering to the Owners of all services required or permitted hereunder. Such budget shall also include such reasonable amounts as the Board of Directors considers necessary to provide working capital for the Association, and to provide for a general operating reserve and reserves for contingencies and replacements. The Board of Directors shall send to each Owner a copy of the budget, in a reasonably itemized form which sets forth the amount of the Annual Assessments payable by each Owner, on or before December 15 preceding the fiscal year to which the budget applies. Such budget shall constitute the basis for determining each Owner's Annual Assessment as provided above. The Assessments shall be determined by dividing the amount of the Budget by the number of Lots subject to the Declaration.

- d. Reserves. The Association may, in its discretion, maintain such reserves as it deems reasonable or necessary for (i) working capital, (ii) contingencies, (iii) replacements, and (iv) the performance of such other coordinating or discretionary functions not contrary to the terms of this Declaration which the Board of Directors may from time to time approve, which may be collected as part of the Annual Assessment as provided above. The amount and manner of collection of reserves shall be as determined by the Board of Directors, in its sole discretion. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against such reserves. Except in the event of an emergency, reserves accumulated for one purpose may not be expended for any other purpose unless approved by a vote or written consent of the Members owning a majority of the Lots. If the reserves are inadequate for any reason, including nonpayment of any Owner's Assessment, the Board of Directors may, at any time, levy a Special Assessment in accordance with the provisions of this Article, which may be payable in a lump sum or in installments as the Board of Directors may determine. In the event there is a balance of reserves at the end of any fiscal year and the Board of Directors so determines, any excess reserves may be taken into account in establishing the next year's budget and may be applied to defray general expenses incurred thereunder. Provided however, builders owning Lots shall commence to pay annual assessments starting six (6) months after closing.
- e. Effect of Failure to Prepare or Adopt Budget. The failure or delay of the Board of Directors to prepare or adopt an annual budget or adjusted budget for any fiscal year shall not constitute a waiver or release in any manner of an Owner's obligation to pay his Assessments, as herein provided, whenever the same shall be determined. In the absence of any annual Association budget or adjusted budget, each Owner shall continue to pay the Assessments at the then existing rate established for the previous fiscal period, in the manner such payment was previously due, until notified otherwise.
- f. Accounts. Except as otherwise provided herein, all sums collected by the Board of Directors with respect to Assessments against the Owners may be commingled in a single fund.
6. Exempt Property. The following properties subject to this Declaration shall be exempted from the Assessments, Assessment Charges, and liens created herein: (a) all properties dedicated to and accepted by a governmental body, agency or authority; and (b) all Common Property.

All Lots or Property owned by Developer (including, without limitation, any Lot used or leased by Developer, or by a builder constructing a Residence thereon for sale to third parties, for a model home, construction facility, or other use) shall be exempt from payment of Assessments for so long as Developer funds any deficit in the annual budget, which deficit shall be the difference between the actual expenses incurred by the Association and the budgeted amounts due from the Owners of Lots other than Developer. Developer shall fund such expenses only as they are actually incurred by the Association during the period that Developer is funding the deficit. Developer's obligation to fund any deficits shall terminate at such time as Developer, in its sole discretion, elects to pay the Assessment for each Lot owned by it, or after Turnover, whichever shall first occur. Developer may, but is not obligated to, assign this exemption right to any entity it may determine, including without limitation any builder owning Lots solely for the purpose of constructing Residences intended to be sold to ultimate purchasers. Any such assignment of Developer's exemption shall have no effect on Developer's exemption hereunder.

7. Real Estate Taxes. In the event the Common Property is taxed separately from the Lots, the Association shall include such taxes as part of the Annual Assessment. In the event the Common Property is taxed as a component of the value of the Lot owned by each Owner, it shall be the obligation of such Owner to promptly pay such taxes prior to their becoming a lien on the Property.
8. Certificate of Payment. The Treasurer of the Association, or the management company authorized by the Board of Directors, upon demand of any Owner liable for an Assessment, shall furnish to such Owner a certificate in writing setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid. A reasonable charge for the services involved in preparing such certificate may be assessed by the Association or management company, as applicable.

VII. ARCHITECTURAL CONTROL

A. Purpose. Except for the Initial Improvements, the Association through the ARB shall have the right to exercise architectural control over all improvements constructed, erected, or placed upon any part of the Property, to assist in making the Property a community of high standards and aesthetic beauty. Such architectural control may include all architectural aspects of any such improvement including, without limitation, size, height, site planning, setbacks, exterior design, materials, colors, open space, landscaping, waterscaping, and aesthetic criteria. For so long as Developer owns any Lot, Developer shall have the sole right to appoint the members of the ARB.

Thereafter, the members of the ARB shall be appointed by the Board of Directors as designated in the Bylaws. If the Board of Directors fails to so appoint the ARB, then the Board of Directors shall constitute the ARB. The Developer shall have the sole right to approve the Initial Improvements on the Property and the rights granted to the ARB hereunder shall only be in effect after the Residence has been completed.

B. Construction Subject to Architectural Control.

1. ARB Approval. Except for the Initial Improvements, no construction, modification, alteration, or improvement of any nature whatsoever, except for interior alterations not affecting the external structure or appearance of any Residence, shall be undertaken on any Lot unless and until a plan of such construction, modification, alteration, or improvement shall have been approved in writing by the ARB. Developer shall evaluate all plans and specifications for Initial Improvements submitted to it for conformance with the provisions of this Declaration. No Initial Improvements shall be commenced, erected, placed, or maintained upon any Lot unless and until the same shall have been submitted to and approved in writing by Developer.
2. Improvements Subject to Approval. Construction, modifications and improvements subject to approval by the ARB or Developer, as applicable, specifically include, but are not limited to, painting or other alteration of the exterior appearance of a Residence and appurtenances including garages, storage facilities, bath houses (including doors, windows and roof); installation of antennae, satellite dishes or receivers, solar panels or other devices; construction of docks, fountains, swimming pools, screened enclosures, whirlpools, or other pools, recreational facilities, construction of privacy walls or other fences; addition of awnings, signs (whether located on the Lot or in windows of the Residence), gates, flower boxes, shelves, statues, or other outdoor ornamentation, patterned or brightly colored window coverings; alteration of the landscaping or topography of the Property, including, without limitation, any cutting or removal of trees, planting or removal of plants, and creation or alteration of lakes or similar features of the Property; and all other modifications, alterations, or improvements visible from any road or other Lots. All of the foregoing are jointly referred to herein as "Proposed Improvements".
3. Procedures.
 - a. Application. It shall be the responsibility of each Owner to supply two (2) sets of the documents described herein to the ARB, or to Developer as to the Initial Improvements. The ARB or Developer, as applicable, shall approve or disapprove the documents properly submitted to it in writing within thirty (30) days of such submission. The application for review of the plans

and specifications for the Initial Improvements shall be accompanied by a review fee of One Hundred and Fifty and 00/100 Dollars, payable to the Developer. The review fee for the Initial Improvements may be adjusted from time to time in the sole discretion of the Developer. The review fee shall be non refundable in any event, whether or not the application submitted by an Owner is approved. With respect to all other Improvements, other than the Initial Improvements, a review fee may be established and charged on a case by case basis, in the sole discretion of and in an amount set by the ARB. If a review fee is charged by the ARB, it shall be non refundable in any event, whether or not the application submitted by an Owner is approved. Any requests shall be deemed disapproved if the ARB or Developer, as applicable, fails to issue a written approval or disapproval with thirty (30) days of the proper submission of all required documentation. The documents, materials and items to be submitted for approval shall include two (2) sets of the following: (i) the construction plans and specifications, if any, including all proposed landscaping; (ii) an elevation or rendering of all Proposed Improvements, if any, (iii) samples of materials or paint colors and (iv) such other items as the ARB or Developer may deem appropriate.

- b. Basis for Decision. Approval shall be granted or denied by the ARB or Developer based upon compliance with the provisions of this Declaration and any guidelines established pursuant thereto, the quality of workmanship and materials, the harmony of external design with its surroundings, the effect of the construction on the appearance from surrounding Lots, and all other factors, guidelines and standards promulgated from time to time, including purely aesthetic considerations, which, in the sole opinion of the ARB or Developer, will affect the desirability or suitability of the construction.

In connection with its approval or disapproval of an application, the ARB or Developer shall evaluate each application for total effect. The evaluation relates to matters of judgment and taste which cannot be reduced to a simple list of measurable criteria. It is possible, therefore, that an application may meet individual criteria and still not receive approval, if in the sole judgment of the ARB or Developer, its overall aesthetic impact is unacceptable. The approval of an application shall not be construed as creating any obligation on the part of the ARB or Developer to approve applications involving similar designs for different Lots. In addition, the Developer and ARB shall have the right to waive or modify the requirements as more fully set forth in subparagraph (e).

- c. Uniform Procedures. The ARB may establish uniform procedures for the review of applications, including the assessment of review costs and fees, if any, to be paid by the applicant, and the requirement of a security deposit, the time and place of meetings, and the posting of a compliance bond to ensure the full and timely compliance by the applicant with the conditions imposed by the ARB. No submission for approval shall be considered by the ARB unless and until such submission, in compliance with the provisions of this Article, has been accepted by the ARB. Developer may establish separate guidelines for the submission of the plans and specifications for Initial Improvements. Any architectural guidelines established by the Developer or ARB may be amended as the Developer or ARB may determine.
- d. Notification. Approval or disapproval of applications to the ARB shall be given to the applicant in writing within thirty (30) days of receipt thereof, by the ARB in accordance with the procedures adopted by the ARB. The ARB shall indicate its approval by stamping the plans with its seal and the date of approval. If the ARB disapproves the requested Proposed Improvement, it shall provide written notice of such disapproval to the Owner. Disapproval by the ARB may be appealed to the Board of Directors of the Association, and the determinations of the Board of Directors shall be dispositive. If the ARB does not act within the thirty (30) day period (unless an extension is agreed to) from receipt of the plans and specifications in acceptable form, the plans and specifications for the Proposed Improvements shall be deemed to have been disapproved. No construction (other than Initial Improvements) on any Lot or within the Property shall be commenced, and no Residence shall be modified, except in accordance with such approved plans and specifications. The Developer shall give its notice of approval or disapproval within thirty (30) days from the date the Developer receives all the required information. The determination of the Developer with respect to the Initial Improvements shall be dispositive.
- e. Variances. The ARB or Developer, as applicable, may authorize a variance from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental consideration require the same. A variance shall be evidenced by a document signed by the chairman of the ARB, if it involves a Proposed Improvement, or by Developer, if it involves Initial Improvements. If such a variance is granted, no violation of the covenants, conditions and restrictions

contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and the particular provisions of this Declaration covered by the variance, nor shall it affect in any way the Owners' obligation to comply with all governmental laws and regulations, including, but not limited to, zoning ordinances and set back lines or requirements imposed by any governmental or municipal authority. Provided, however, in no event shall granting of a variance set a precedent which required the granting of another such variance.

- f. **Enforcement.** The Board of Directors shall have the authority and standing on behalf of the Association to enforce, in courts of competent jurisdiction, the decisions of the ARB. The Developer shall have the authority and standing to enforce, in courts of competent jurisdiction, the decisions of the Developer.
4. **Architectural Guidelines.** The ARB or Developer, as applicable, shall consider the following provisions in connection with their review, together with any architectural guidelines issued by the ARB or Developer from time to time. Specific references to the ARB or Developer in these provisions shall not be construed as a limitation of the general review power of the ARB or Developer, as set forth in this Article.
 - a. **Building Type.** No building shall be erected, altered, placed or permitted to remain on and Lot or Reconfigured Lot, other than one detached single family Residence which shall not exceed thirty five (35') feet in height and shall have a private and enclosed garage for not less than two (2) cars.
 - b. **Building Material.** The front facade of all Residences shall be at a minimum lap front siding. No T1-11 siding shall be permitted on front of the Residence.
 - c. **Roofs.** Flat roofs and protrusions through roofs for power ventilators or other apparatus shall not be permitted unless approved by Developer, in its sole discretion, as a part of the Initial Improvements. Roofing and shingle material shall be approved by Developer as to color and material. Any reroofing or reshingling of the Residence other than with the same materials and same color shall be approved by the ARB.
 - d. **Garages.** All garages must have either a single overhead door with a minimum door width of sixteen (16) feet for a two car

garage, or two (2) sixteen foot doors for a four car garage, or two (2), three (3), or four (4) individual doors, each a minimum of ten (10) feet in width (or eight (8) feet with a two (2) foot separation), and a service door. No carports will be permitted unless approved by Developer or the ARB, as applicable. All garage doors shall be kept closed except when entering or leaving the garage.

- e. Driveway Construction. All Residences shall have a paved driveway of stable and permanent construction of a width of at least sixteen (16) feet, but not less than door to door width, at the entrance of the garage. All driveways must be constructed with approved materials.
- f. Fences. The use of fences, walls and other forms of visual screens throughout the Property shall be subject to prior approval by the ARB or Developer and shall be limited to those portions, of the Lots closely surrounding the Residences, so as not to unnecessarily or unduly restrict the view of others and be no greater than 6' in height. All fencing is to receive approval from the ARB or Developer before construction commences.
- g. Ancillary Structures. Unless approved by Developer or the ARB, as applicable, as to use, location and architectural design, no garage, tool, guest quarters, or storage buildings can be constructed separate and apart from the Residence, nor can any such structures be constructed prior to construction of the Residence. Any such permitted ancillary structures, such as detached garages, guest quarters, or storage buildings shall be constructed of the same materials and in the same architectural style as the Residence, and shall be subject to the same setback lines, approvals of the ARB, and other restrictions applicable to the Residence itself.
- h. Minimum Residence Area. Each Residence constructed upon the Property must contain at least Two Thousand Two Hundred (2200) square feet of heated and air conditioned floor area, provided however, Developer shall have the right to approve Residences which contain up to ten percent (10%) less square feet of heated and air conditioned floor area, if it deems it to be reasonable or necessary.
- i. Lot Coverage. The total ground area to be occupied by any Residence shall not exceed thirty percent (30%) of the ground area of the Lot or Reconfigured Lot upon which the Residence is located.

- j. Setbacks. No Residence shall be erected within any easement area depicted on the plat of the Property or reserved in this Declaration, or within the following setback distances from the respective Lot or Reconfigured Lot boundary lines:

Front line setback	40' minimum
Side line setbacks	10' minimum per side
Rear line setback	20' minimum

All setbacks shall be measured from the property line to the exterior wall of the Residence. Except as may be required by Developer or the ARB, as applicable, the rear setback shall not apply to pools, pool decks, gazebos, docks, and other similar structures.

- k. Antennae and Other Devices. All antennae, satellite dishes and other receptor devices to be installed on the Property shall be no larger than thirty (30") inches in diameter and twelve (12') feet in height. All such devices shall be placed in the rear of any Lot so as to not be visible from the road. In addition, Owners shall endeavor to assure that the location of such devices is screened to the extent possible from the view of others.
- l. Artificial Vegetation. No artificial grass, plants, or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot, unless approved by Developer or the ARB, as applicable.
- m. Lighting. No external lighting shall be installed without the prior approval of Developer or the ARB, as applicable. No lighting will be permitted which alters the residential character of the Property.
- n. Recreational Structures. All basketball backboards, tennis courts, and play structures shall be located at the rear of the Residence or on the inside portion of corner Lots within the setback lines, provided however, any basketball backboards shall be located so as to minimize noise to adjoining Residences. No platform, doghouse, tennis court, playhouse, or play fort shall be constructed on any part of a Lot located in front of the rear facade of the Residence, and any such structure shall have prior approval of Developer or the ARB, as applicable. Any portion of a Reconfigured Lot used for recreational purposes must be adequately screened in the front and sides by landscaping, fencing or walls, as approved by the ARB or Developer, as applicable.

- o. Utility Connections. Building connections for all utilities, including, but not limited to, electricity, telephone and television, shall be run underground from the connecting points to the Residence in a manner acceptable to the governing utility authority. All propane tanks providing propane gas for cooking, hot water, or other use within any home shall be buried underground.
- p. Window Coverings. Reflective window coverings and heat mats are expressly prohibited, and only neutral, solid colored window coverings shall be permitted on any Residence. The ARB or Developer, as applicable, may prohibit window treatments which are not reasonably compatible with the aesthetic standards of the Property.
- q. Mailboxes. No mailbox, paper box or other receptacle of any kind for any use in the delivery of mail, newspapers, magazines, packages, or similar materials shall be erected on any Lot without the approval of the ARB or Developer, as applicable, as to style and location. The ARB may elect to require group mailboxes.
- r. Energy Conservation. Solar energy and other energy conservation devices are not prohibited or discouraged, but the design and appearance of such devices will be closely scrutinized and controlled by the ARB or Developer, as applicable, to assure consistency with the aesthetic standards of the Property.
- s. Interference with Roads or Easements. Without limiting or qualifying the other provisions of this Declaration, nothing shall be erected, constructed, planted, or otherwise placed in such a position so as to create a hazard or block the vision of motorists upon any roads within or adjacent to the Property. No modification, alteration, or improvement shall interfere with the easements or other rights set forth in this Declaration.
- t. Landscaping. A detailed landscaping plan for each Lot must be submitted to and approved by Developer as part of the plans and documents for the Initial Improvements. All plant material shall be of Florida Grade Number One or better. Each Lot shall have a minimum of 25 feet of grass sodding on the front, 5 feet on each side and 10 feet in the rear of the Residence.

The landscaping of the Lot shall be completed in accordance with the landscaping plan prior to the initial occupancy of the Residence. In the event the landscaping is not completed as

provided herein, the Association shall have the right to enter upon the Lot and complete the landscaping in accordance with the approved plans, in the same manner as exterior maintenance may be performed by the Association pursuant to paragraph III(D) of this Declaration. The Association shall be entitled to a lien against the Lot in an amount equal to one hundred and twenty percent (120%) of the cost to complete the landscaping, which shall be collected as provided in paragraph VI(D) herein.

5. Remedy for Violations. In the event any Proposed Improvement is constructed without first obtaining the approval of the ARB or Developer, as applicable, or is not constructed in strict compliance with any approval given or deemed given by the ARB or Developer, as applicable, or the provisions of this Article are otherwise violated, the ARB, as the authorized representative of the Association or the Developer, shall have the specific right to injunctive relief to require the Owner to stop, remove, and alter any improvements in order to comply with the requirements hereof, or the ARB or Developer may pursue any other remedy available to it. In connection with this enforcement paragraph, the ARB and Developer shall have the right to enter into any Lot or Residence and make any inspection necessary to determine that the provisions of this Declaration have been complied with. The failure of the ARB or Developer to object to any Proposed Improvement prior to its completion shall not constitute a waiver of the ARB's or Developer's right to enforce this Article. The foregoing rights shall be in addition to any other remedy set forth herein for violations of this Declaration.
6. Reservation of Right to Release Restrictions. In each instance where a structure has been erected, or construction thereof has substantially advanced, in such a manner that some portion of the structure encroaches on any Lot line, setback line, or easement area, Developer reserves for itself, its successors, assigns and designees, the right to release such Lot from the encroachment and to grant a variance to permit the encroachment without the consent or joinder of any person, irrespective of who owns the burdened Lot or easement areas, so long as Developer, in the exercise of its sole discretion, determines that the release or exception will not materially or adversely affect the value of the adjacent Lot and the overall appearance of the Property. This reserved right shall automatically pass to the Association when Developer no longer owns any portion of the Property. Upon granting of an exception to an Owner, the exception shall be binding upon all subsequent Owners of the affected Lots.
7. No Liability. Notwithstanding anything contained herein to the contrary, the ARB and Developer shall merely have the right, but not

the obligation, to exercise architectural control, and shall not be liable to any Owner, its successors, assigns, personal representatives, or heirs, due to the exercise or non-exercise of such control or the approval or disapproval of any Proposed Improvement. Furthermore, the approval of any plans and specifications or any Proposed Improvements shall not be deemed to be a determination or warranty that such plans and specifications or Proposed Improvements are complete, do not contain defects, or in fact meet any standards, guidelines, or criteria of the ARB or Developer, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and neither the ARB, the Association, nor Developer shall be liable for any defect or deficiency in such plans and specifications or Proposed Improvements, or any injury to persons or property resulting therefrom.

VIII. USE OF PROPERTY

A. Protective Covenants. In order to keep the Property a desirable place to live for all Owners, the following protective covenants are made a part of this Declaration. Without limiting any of the provisions or requirements hereof, the specific references to Developer or ARB approval set forth in this Article or elsewhere in this Declaration shall not be construed as a limitation of the requirements of Article.

B. Lot Resubdivision. No Lot shall be further subdivided, replatted, or separated into smaller Lots by any Owner. Provided however, this restriction shall not prohibit corrective deeds or similar corrective instruments. Developer shall have the right to reconfigure Lots or modify subdivision plats of the Property if Developer owns all the Lots within the legal description of the Property to be subjected to the replat, or if all Owners of Lots which are included within the portion of the plat so modified consent to such modification, which consent shall not be unreasonably withheld or delayed.

C. Residential Use. Each Lot shall be used, improved and devoted exclusively to single family residential use, and for no commercial purpose. No time share ownership of Lots shall be permitted without Developer's approval. Nothing herein shall be deemed to prevent any Owner from leasing a Residence, subject to all of the provisions of the Declaration, Articles, and Bylaws, nor to prevent Developer from converting the use of a platted lot to a road for ingress and egress from an adjacent Lot or land. The foregoing restriction shall not operate to prevent Developer or its designees from using one or more Residences as model homes or sales centers during the development and sale of the Property. No other business or commercial use may be made of any part of the Property. Provided, however, an occupant of a Residence who maintains a personal or professional library, keeps personal or professional books or accounts, conducts personal business (provided that such use does not involve customers, clients, employees, licenses or invitees regularly visiting the Residence), or makes professional telephone calls or correspondence in or from a Residence is engaging in a residential use and shall not be deemed to be in violation of this paragraph by reason thereof.

D. Nuisances; Other Improper Use. No nuisance shall be permitted to exist on any Lot or Common Property so as to be detrimental to any other Lot in the vicinity thereof or its occupants, or to the Common Property. Any activity on a Lot which interferes with television, cable, or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. No immoral, offensive, or unlawful use shall be made of the Property or any part thereof. All laws, zoning ordinances, orders, rules, regulations, and requirements of any governmental agency having jurisdiction relating to any portion of the Property shall be complied with, by and at the sole expense of the Owner or the Association, whichever shall have the obligation to maintain or repair such portion of the Property. No waste will be committed upon the Common Property. Owners hereby acknowledge that construction and development activities on or about the Property during daylight hours shall not be deemed to be a nuisance. The determination of the Board of Directors as to what may be or become a nuisance shall be conclusive.

E. Insurance. Nothing shall be done or kept in any Residence, Lot, or in the Common Property which will increase the rate of insurance for the Property or any other Lot, or the contents thereof, without the prior written consent of the Association. No Owner shall permit anything to be done or kept in his Residence, on his Lot, or in the Common Property which will result in the cancellation of insurance on the Property or any other Lot, or the contents thereof, or which would be in violation of any law.

F. Access. Owners shall allow the Board of Directors or the agents and employees of the Association to enter any Lot for the purpose of maintenance, inspection, repair, replacement of the improvements within the Lot, or in case of emergency, for any lawful purpose, or to determine compliance with this Declaration.

G. Pets. No animals, livestock, or poultry shall be raised, bred, or kept anywhere within the Property, except that dogs, cats, or other household pets in reasonable numbers may be kept, provided that they are not kept, kept or maintained for any commercial purpose. Further no such permitted pets shall constitute a nuisance on the Property. The number of household pets which may be maintained on a Lot shall be in compliance with the County Code unless a Conditional Use Permit is received. Prior to applying for a Conditional Use Permit, the plans for maintaining such pets on the Property shall be submitted to and approved by the ARB. All pets must be held or kept leashed or otherwise appropriately restrained at all times they are on the Common Property, and all owners of pets shall be held strictly responsible to immediately collect and properly dispose of the wastes and litter of their pets. The Association reserves the right to designate specific areas within the Common Property where pets may be walked on leashes by their Owners. The Association further reserves the right to demand that an Owner permanently remove from the Property all pets which create disturbances or annoyances that constitute nuisances, in the sole determination of the Board of Directors. The decision of the Board of Directors in such matters is conclusive and shall be enforced by the Association.

H. Signs. No sign, advertisement or notice of any type or nature whatsoever including, without limitation, "For Sale" and "For Lease" signs, shall be erected or

displayed upon any Lot, Residence, the Common Property, or from any window, unless express prior written approval of its size, shape, content, appearance and location has been obtained from the ARB, which approval may be withheld for any reason, and the ARB may, in its sole discretion, prohibit all signs. Notwithstanding the foregoing, Developer, and those persons or entities specifically designated by Developer, shall be permitted to post and display advertising signs on the Property for the marketing, sale, or rental of Lots.

I. Parking. Only automobiles bearing current license and registration tags, as required pursuant to state law, shall be permitted to be parked on any of the Property except wholly within a garage. All parking within the Property shall be in accordance with rules and regulations adopted by the Association. The Association may, from time to time, adopt rules and regulations regulating the storage and parking of non standard size vehicles, including any recreational type vehicles, including architectural guidelines for the location of such storage areas and the required screening therefor. All R.V.'s must not be parked on streets or driveways, and must be garaged.

J. Visibility at Street Intersections. No obstruction to visibility at street intersections shall be permitted. The ARB and shall have the right to adopt additional restrictions concerning, the height and type of trees and shrubs within any of the Lots.

K. Clotheslines. No clotheslines or other clothes-drying facility shall be permitted on the Common Property or other portions of the Property where it would be visible from any other Lot.

L. Garbage and Trash Containers. All garbage and trash containers must be placed and maintained in accordance with rules and regulations adopted by the Board of Directors. No garbage or trash shall be placed elsewhere and no portion of the Property shall be used for dumping refuse.

M. Window Air Conditioners. No window air conditioning unit shall be installed in any of the Residences without the prior approval of the ARB.

N. Temporary Structures. No structure of a temporary character, including, without limitation, any trailer, tent, shack, barn, shed, or other outbuilding, shall be permitted on any Lot at any time, except temporary structures maintained for the purpose of construction of Residences. The foregoing restriction shall not preclude Developer from maintaining temporary structures for the purpose of construction of any improvements or Residences and the marketing and sales of Lots.

O. Oil and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations, or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot or on the Property.

P. Hazardous Materials. No hazardous or toxic materials or pollutants shall be maintained, stored, discharged, released, or disposed of in or under the Property

except in strict compliance with applicable statutes, rules and regulations. Fuel or gas storage tanks or other flammable, combustible, or explosive fluids, materials, or substances for ordinary household use may be stored or used in the Property only in strict compliance with manufacturers' directions and applicable safety laws and codes, and shall be stored in containers specifically designed for such purposes.

Q. Removal of Trees. In order to preserve the environment and migratory bird populations, no trees which remain on a Lot at the time of completion of the Initial Improvements thereon shall be felled, removed, or cut down unless such tree represents a hazard to the Residence or other improvements on the Lot, or to persons occupying or utilizing the Property.

R. Garages. Garage doors shall be kept closed except when automobiles are entering or leaving the garage. No garage shall at any time be used as a Residence or converted to become part of the Residence, except if another garage is constructed in compliance with the provisions hereof. Provided, however, a garage may be used by Developer or its designated builders as a sales office during the marketing of the Property.

S. Soliciting. No soliciting will be allowed at any time within the Property.

T. Amendments and Modifications. The Board of Directors and the ARB may from time to time adopt and amend rules and regulations governing the details of the operation, use, maintenance and control of the Residences, Lots, Common Property and any facilities or services made available to the Owners. A copy of the rules and regulations adopted from time to time as herein provided shall be available to each Owner.

U. Compliance. It shall be the responsibility of all Owners, family members of Owners, and their authorized guests and tenants to conform with and abide by the rules and regulations in regard to the use of the Residences, Lots, and Common Property which may be adopted in writing from time to time by the Board of Directors and the ARB, and to see that all persons using the Owner's Lot(s) do likewise.

V. Restrictions and Covenants Running with the Land. The agreements, covenants and conditions set forth in this Article shall constitute an easement and servitude in and upon the Property and every part thereof, and shall run with the Property and inure to the benefit of and be enforceable by both Developers (irrespective of whether such Developer owns the property so affected), the Association, and the Owners. Failure to enforce any restrictions, covenants, conditions, obligations, reservations, rights, powers, or charges hereinbefore or hereinafter contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to such breach or violations occurring prior or subsequent thereto. Failure to enforce such violation shall not, however, give rise to any liability on the part of either Developer or of the Association with respect to parties aggrieved by such failure.

W. Remedies for Violation. Violation or breach of any condition, restriction or covenant contained in this Article or any other provision of this Declaration shall give either Developer and/or the Association and/or Owners, in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said conditions, restrictions or covenants and to prevent the violation or breach of any of them, including without limitation the right to seek monetary damages and a judgment against the Owner. The expense of such litigation shall be borne by the then violating Owner or Owners of the Property, provided such proceeding results in a finding that such Owner was in violation of these restrictions. Expenses of litigation shall include reasonable attorneys' fees incurred by either Developer, Owner, and/or the Association in seeking such enforcement (whether before or at trial, on appeal, in bankruptcy or in post-judgment collection), and all costs of such enforcement shall constitute part of the annual assessment against such Owner and be enforceable as a lien upon the Property of such Owner. The invalidation by any court of any of the restrictions contained in this Article shall in no way affect any of the other restrictions, which shall remain in full force and effect.

In addition to all other remedies, the Board of Directors of the Association shall have the authority, to impose a fine or fines upon any Owner for failure of the Owner, his family, guests, invitees, tenants, or occupants, to comply with any covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, so long as all procedures set forth in the Florida Statutes with respect to procedures for levying fines are complied with, as such procedures relating to fines may be amended from time to time. The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise be entitled, including without limitation the right to impose a Lot Assessment. The limitations on fines in this paragraph do not apply to suspensions or fines arising from failure to pay Assessments.

IX. INSURANCE

A. Types of Coverage.

1. Insurance of Common Property. The Board of Directors shall obtain liability insurance on the Common Property and, to the extent the Board of Directors deems reasonable or necessary, may obtain casualty insurance and increase the amounts of liability insurance, all as is consistent with prudent business judgment, including the following:
 - a. Hazard insurance on the Common Property and any improvements constructed thereon, with extended coverage, vandalism, malicious mischief and windstorm endorsements in an amount not less than that necessary to comply with the

coinsurance percentage stipulated in the policy, and in any event not less than 80% of the insurable value (based upon replacement cost) of the improvements constructed on the Common Property.

- b. Public liability insurance in such limits as the Board of Directors may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property or adjoining the Property. Such insurance shall be issued on a comprehensive liability basis and shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board of Directors, or other Owners. The Board of Directors shall review such limits once each year.
2. Insurance of the Lots. It shall be the responsibility of each Owner to obtain, at his own expense, liability insurance with respect to the ownership and use of his Lot, including his Residence, and the Association shall not be responsible for obtaining such insurance or have any liability whatsoever in connection therewith. It shall be the responsibility of each Owner to obtain and maintain hazard insurance and insurance against the perils customarily covered by an extended coverage endorsement in an amount equal to not less than the full replacement cost of the Residence.
 3. Director and Officer Liability Insurance. The Board of Directors may obtain, as a matter of common expense payable from the Annual Assessments, liability insurance against personal loss for actions taken by members of the Board of Directors and officers of the Association in the performance of their duties. Such insurance shall be of the type and amount determined by the Board of Directors, in its discretion.
 4. Other Coverage. The Board of Directors shall obtain and maintain worker's compensation insurance, if and to the extent necessary to meet the requirements of law, and such other insurance as the Board of Directors may determine or as may be requested from time to time by a majority of the Owners. The Board of Directors may from time to time increase or decrease the types and amounts of insurance coverage, as may be necessary or convenient to comply with requirements of Mortgagees or based upon the cost and availability of such coverage.
8. Repair and Reconstruction After Casualty.
 1. Common Property. In the event of damage to or destruction of all or any the Improvements on the Common Property as a result of fire or

other casualty, the Board of Directors shall arrange for and supervise the prompt repair and restoration of such improvements substantially in accordance with the plans and specifications under which the improvements were originally constructed, or any modification thereof approved by Developer or the ARB. The Board of Directors shall proceed towards reconstruction of such improvements as quickly as practicable under the circumstances, and shall obtain funds for such reconstruction from the insurance proceeds and any Special Assessments that may be necessary after exhaustion of reserves for the repair and replacement of such improvements. Nothing contained herein shall impose absolute liability for damages to the Common Property on the Owners.

2. Residences. Any Owner whose Residence is destroyed or damaged by fire or other casualty shall immediately proceed to rebuild and restore his Residence to the conditions existing immediately prior to such damage or destruction, unless other plans are approved in accordance with the provisions of Article VII above. Provided, however, if the damage is so extensive that the Owner determines not to rebuild the Residence, the Owner may remove all remaining improvements and debris and sod the Lot. In such event, all obligations for landscaping on the part of Owner shall remain in effect.

X. ASSOCIATION LIABILITY

A. Disclaimer of Liability. Notwithstanding anything contained in this Declaration, in the Articles or Bylaws, or in any other document governing or binding the Association (collectively, "Association Documents"), neither Developer nor the Association shall be liable or responsible for, or shall be deemed in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant, or user of any portion of the Property, including, without limitation, Owners, occupants, tenants, and their families, guests, invitees, agents, servants, contractors or subcontractors, nor for any property of such persons.

B. Specific Provisions. Without limiting the generality of the foregoing:

1. It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern and regulate the use of the Property have been written and are to be interpreted and enforced for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof.
2. Neither Developer nor the Association is empowered, nor have they have been created, to act as an entity which enforces or insures compliance with the laws of the United States of America, the State of Florida, the County, or any other jurisdiction, or prevents tortious or criminal activities.

3. The provisions of the Association Documents setting forth the uses of Assessments which may relate to health, safety, or welfare shall be attributed and implied only as limitations on the usage of such funds, and not as creating an obligation of the Association or Developer to protect the health, safety or welfare of any persons.

C. Owner Covenant. Each Owner, for himself and his heirs, legal representatives, successors and assigns (by virtue of his acceptance of title of his Lot), and every other person or entity having an interest in or a lien upon, or making use of, any portion of the Property (by virtue of accepting such interest or lien or making use (hereof)), shall be bound by this Article and shall be deemed to automatically waive all rights, claims, demands, and causes of action against the Association or Developer arising from or connected with any act or omission for which the liability of the Association or Developer has been described in this Article.

XI. GENERAL PROVISIONS

A. Duration. This Declaration, as amended and supplemented from time to time, shall run with and bind the Property, and shall inure to the benefit of and be binding upon Developer, the Association, the Owners, and their respective legal representatives, heirs, successors or assigns, for a term of forty (40) years from the date of this Declaration is recorded in the public records of the County, after which time all of said provisions shall be extended automatically for successive periods of ten (10) years each, unless an instrument or instruments signed by the then Owners of seventy five percent (75%) of the Lots subject to this Declaration is recorded in the public records of the County, agreeing to terminate all of said provisions as of a specified date. Unless this Declaration is terminated as provided above, the Association shall rerecord this Declaration or other notice of its terms at intervals necessary under Florida law to preserve its effect.

B. Condemnation. In the event all or part of the Common Property owned by the Association shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages shall be paid to the Association. The Board of Directors shall have the right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation affecting such Property. The Owners holding seventy five percent (75%) of the votes shall agree to the distribution of the proceeds of any condemnation or taking by eminent domain, and if the Owners shall not so agree, such proceeds shall be added to the funds of the Association.

C. Notices. Any notice required to be sent to the Owner of any Lot under the provisions of this Declaration shall be deemed to have been properly sent when hand delivered or mailed, postage prepaid, to the Lot and to the last known address of the person who appears as Owner of such Lot on the records of the Association at the time of such mailing, if different.

D. Enforcement of Covenants. If any person, firm, corporation, trust, or other entity shall violate or attempt to violate any of the covenants or restrictions set forth in

this Declaration, it shall be lawful for Developer, the Association, or any Owner: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate any such covenant or restriction; (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such covenant or restriction for the purpose of preventing or enjoining all or any such violations or attempted violations; or (c) suspend the voting rights in the Association of an Owner for the non-payment of regular annual assessments that are delinquent in excess of ninety (90) days. In addition to all other remedies, the Board of Directors shall have the authority, in its sole discretion, to impose a fine or fines upon any Owner for failure of the Owner, his family, guests, invitees, tenants, or occupants, to comply with any covenant, restriction, rule, or regulation contained in this Declaration, the Articles, or the Bylaws, provided the following procedures are adhered to:

1. The Association shall notify the Owner or occupant of the infraction(s) and the date and time of a meeting which shall be at least fourteen (14) days from the date of notice. The Owner shall meet with a committee appointed by the Board which committee is composed of three (3) Owners who are not officers, directors or employees of the Association.
2. At such meeting, the committee shall be presented with the infraction(s) and shall give the Owner or occupant the opportunity to present reasons why fines or penalties should not be imposed. A written decision of the committee shall be provided to the Owner or occupant within twenty one (21) days after the date of the meeting.
3. If approved by the committee, the Board of Directors may impose fines against the applicable Lot of up to One Hundred and 00/100 Dollars (\$100.00) per violation. The maximum permitted fine may be increased from time to time by the Board of Directors, as permitted by applicable statutes. A fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for hearing, except that no such fine for the same violation shall exceed One Thousand and 00/100 Dollars (\$1,000.00) in the aggregate.
4. Each incident which is grounds for a fine shall be the basis for a separate fine. In case of continuing violations, each continuation after notice is given shall be deemed a separate incident.
5. Fines shall be paid within thirty (30) days after the receipt of notice of their imposition.
6. All monies received from fines shall be allocated as directed by the Board of Directors.
7. The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the

Association may otherwise be entitled, including without limitation the right to impose a Lot Assessment; however, any fine paid by the Owner or occupant shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner or occupant. The limitations on fines in this paragraph does not apply to suspensions or fines arising from failure to pay Assessments.

8. The failure of Developer, the Association, or any Owner, or their respective successors or assigns, to enforce any covenant, restriction, obligation, right, power, privilege, authority, or reservation herein contained, however long continued, shall not be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

E. Interpretation. Unless the context expressly requires otherwise, the use of the singular includes the plural and vice versa; the use of all genders includes all genders; the use of the terms "including" or "include" is without limitation; and the use of the terms "will", "must", and "should" shall have the same effect as the use of the term "shall". Wherever any time period is expressed in days, if such time period ends on a Saturday, Sunday, or legal holiday, it shall be extended to the next succeeding calendar day that is not a Saturday, Sunday, or legal holiday. The terms "Lot" and "Property" mean all or any portion applicable to the context, and include all improvements, fixtures, trees, vegetation, and other property from time to time situated thereon, and the benefit of all appurtenant easements. The terms of this Declaration shall be liberally construed in favor of the party seeking to enforce its provisions to effectuate their purpose of protecting and enhancing the value, marketability, and desirability of the Property by providing a uniform and consistent plan for the development and enjoyment thereof. Headings and other textual divisions are for convenience only and are not to be used to interpret, construe, apply, or enforce any substantive provisions. The provisions of this subparagraph apply also to the interpretation, construction, application, and enforcement of all the Association Documents.

F. Invalidity. The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability, or effect of the balance of the Declaration which shall remain in full force and effect.

G. Rules and Regulations. All Owners shall comply with the rules and regulations adopted and amended from time to time by the Board of Directors, the ARB and this Declaration. Such rules and regulations shall be for the purpose of elaboration and administration of the provisions of this Declaration and shall relate to the overall development of the Property, and shall not in any way diminish the powers of self-government of the Association.

H. Litigation. No judicial or administrative proceedings shall be commenced or prosecuted by the Association unless the same is approved by a vote or written

consent of the Owners of seventy five percent (75%) of the Lots subject to this Declaration. This paragraph shall not apply, however, to: (a) actions brought by the Association to enforce any provisions of this Declaration (including, without limitation, foreclosure of lien), (b) imposition of Assessments as provided herein, (c) proceedings involving challenges, to any taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. Notwithstanding the provisions of this paragraph, this paragraph shall not be amended unless such Amendment is approved by Developer or is approved by the percentage vote pursuant to the same procedures as are necessary to institute proceedings and provided above.

I. Amendment. This Declaration may be amended at any time by an instrument signed by the President or Vice President and the Secretary or Assistant Secretary of the Association, certifying that such amendment has been adopted by the written consent of two-thirds (2/3) of the Class A Members or upon a two-thirds (2/3) vote of the Class A Members voting in person or by proxy at a regular Association meeting or a special meeting called for that purpose at which there is a quorum, which amendment shall become effective upon its filing in the public records of the County. Provided, however, that:

1. As long as Developer is an Owner of any Lot, no amendment shall become effective without the written consent of Developer.
2. Until Turnover, any amendments to this Declaration (including, without limitation, any amendment which results in the annexation of additional lands into the Property, the merger or consolidation of the Association with any other property owners association, the dedication of any part of the Common Property for public use, and the conveyance, mortgaging, or encumbrance of any part of the Common Property) must have prior written approval of the FHA or VA in accordance with HUD regulations, if the FHA or VA is the insurer of any Mortgage encumbering a Lot.
3. Developer specifically reserves the absolute and unconditional right (subject only to FHA or VA approval as set forth above, if required), so long as it owns any of the Property, to amend this Declaration without the consent or joinder of any party: (i) to conform to the requirements of any holder of a Mortgage; (ii) to conform to the requirements of title insurance companies; (iii) to conform to the requirements of any governmental entity having control or jurisdiction over the Property; (iv) to clarify the provisions of this Declaration; or (v) in such other manner as Developer may deem necessary or convenient.

Amendments to the Articles and Bylaws shall be made in accordance with the requirements of the Articles and Bylaws and need not be recorded in the public records of the County.

J. Assignment of Developer Rights. Developer may assign all or only a portion of its rights hereunder, or all or a portion of such rights in connection with appropriate portions of the Property. In the event of such a partial assignment, the assignee shall not be deemed to be the Developer but may exercise such rights of Developer specifically assigned to it. Any such assignment may be made on a nonexclusive basis. In addition, in the event that any person or entity obtains title to all of the Property owned by Developer as a result of foreclosure or deed in lieu thereof, such person or entity may elect to become the Developer by written election recorded in the public records of the County, and regardless of the exercise of such election, such person or entity may appoint the Developer or assign any rights of Developer to any other party which acquires title to all or any portion of the Property by written appointment recorded in the public records of the County. In any event, no subsequent Developer shall be liable for any actions or defaults of, or obligations incurred by, any prior Developer, except as the same may be expressly assumed by the subsequent Developer.

K. Rights of Mortgagees. All Mortgagees shall have the following rights:

1. During normal business hours, and upon reasonable notice and in a reasonable manner, to inspect current copies of the Association Documents and the books, records and financial statements of the Association.
2. Upon written request to the Secretary of the Association, to receive copies of the annual financial statements for the immediately preceding fiscal year of the Association, provided, however, the Association may make a reasonable, uniform charge to defray its costs incurred in providing such copies.
3. To designate a representative to attend all meetings of the Members of the Association, who shall be entitled to a reasonable opportunity to be heard in connection with any business brought before such meeting, but in no event shall be entitled to vote thereon.
4. By written notice to the Secretary of the Association, and upon payment to the Association of any reasonable, uniform annual fee established from time to time by the Association to defray its costs, to receive: (i) any notice that is required to be given to the Class A Members under any provision of the Association Documents; (ii) written notice of any condemnation or casualty loss affecting a material portion of the Property or any Lot encumbered by its Mortgage; (iii) any sixty (60) day delinquency in the payment of Assessment Charges imposed upon any Lot encumbered by its Mortgage; (iv) the lapse, cancellation, or material modification of any insurance coverage or fidelity bond maintained by the Association; and (v) any proposed action requiring the consent of a specified percentage of Mortgagees.

L. Legal Fees and Costs. The prevailing party in any dispute arising out of the subject matter of this Declaration or its subsequent performance shall be entitled to reimbursement of its costs and attorney's fees, whether incurred before or at trial, on appeal, in bankruptcy, in post-judgment collection, or in any dispute resolution proceeding, and whether or not a lawsuit is commenced.

M. Law to Govern. This Declaration shall be governed by and construed in accordance with the laws of the State of Florida, both substantive and remedial.

N. Tax Deeds and Foreclosure. All provisions of the Declaration relating to a Lot which has been sold for taxes or special assessments survive and are enforceable after the issuance of a tax deed or upon a foreclosure of an Assessment, a certificate or lien, a tax deed, tax certificate or tax lien, to the same extent that they would be enforceable against a voluntary grantee of title before such transfer.
